

Vermont Institute of Natural Science Securities Transfer Request Form

The Trustees and Staff of VINS both welcome and seek charitable gifts. Charitable contributions are a major source of revenue for the support of both general operations and specific programs. Contributions generally take the form of outright gifts, such as, cash, checks, credit card payments and marketable securities. Stock shares can be transferred directly from your brokerage account to VINS' account. Please complete this form, send a copy to your broker, and fax a copy to VINS at 802-359-5000, Ext: 219 c/o Mary Davidson Graham, or email; mgraham@vinsweb.org. (N.B.: Sending the fax copy is important because some brokers do not identify stock donors by name when making securities transfers.) Thank you for supporting VINS.
