

2019 VINS Nature Camp

Returning Leader-in-Training

Application

ABOUT VINS NATURE CAMP

VINS Nature Camp operates on a weekly basis for ten weeks in the summer beginning in June and finishing in August. Our daily hours of operation for our day camps are 9:00am to 4:00pm Monday through Thursday and 9:00am to 3:30pm on Fridays. Our camp offerings are broken into 4 main age groups: “Peeps” (Pre-K-Kindergarten), “Fledglings” (grades 1-3), “Falcons” (grades 4-6), and “Eagles” (grades 6-8). Please visit website at www.vinsweb.org/nature-camps for a full listing of camp descriptions by week and the camp schedule.

VOLUNTEER LEADERS-in-TRAINING (L-I-T) PROGRAM

VINS’ Leaders-in-Training program involves teens in our camp program by offering the opportunity to work closely with children, peers, and adults in a fun, recreational setting while providing experiences for participants to develop their leadership skills. Whether or not participants have attended VINS Nature Camp, our L-I-T program offers a fun summer option for teens who love the camp experience or who want to gain experience leading groups in the outdoors. This specialized volunteer program is offered to individuals who are ages 14 (as of June, 2019) through 17 and who will be entering or returning to high school in the fall of 2019.

Throughout their summer, L-I-T volunteers will be paired with VINS Nature Camp Instructors who mentor the L-I-Ts during their week(s) of camp. L-I-T responsibilities are assigned by the VINS Nature Camp Instructors they are working with and may include leading group games, assisting specific campers, or helping to prepare lessons/activities for the week. We believe that the L-I-T program is a valuable learning experience for all and hope that many of our L-I-Ts will eventually return as VINS Nature Camp Instructors.

At the end of the summer, all L-I-Ts will receive official acknowledgement of their volunteer hours.
