The Vermont Institute of Natural Science (VINS) Nature Center Map shows the layout of the facility. The map includes various facilities and exhibits, such as the Welcome Center, Restrooms, Reptile Room, Raptor Enclosures, Neale Pavilion, Birds Are Dinosaurs Art Exhibit, Fairy Town, Observation Platform, and Songbird Aviary. The map also highlights trails like the McKnight Trail and the Lingelbach Trail. Accessible spaces are marked with a star, and closed spaces are indicated with an X. The map guide provides additional information, including the VINS website and contact number.
