Dear VINS Nature Camp Families,

Thank you for choosing VINS Nature Camp. Preparations are well underway for another summer of adventure and discovery.

This handbook is designed to help you plan for camp. It contains information about our policies, drop-off and pick-up, a packing list, and much more.

At VINS Nature Camp, our mission is to help young people develop the life skills necessary to be a positive force for their community and the natural world. To be successful in our mission, we need the help of both campers and parents/guardians. The most significant way you can help is by becoming familiar with our rules and policies and by talking with your child about our camp values and behavior code before their first day of camp.

As you prepare for camp, please do not hesitate to contact us with any questions. We look forward to sharing the wonders of the natural world with your child.

Warm regards,

Sarah Strew

Who We Are

Organization

Vermont Institute of Natural Science (VINS) has been a leader in environmental education and wildlife conservation since 1972. VINS' mission is to motivate individuals to care for the natural environment through education, research, and avian wildlife rehabilitation.

We offer locally relevant and compelling environmental education programs and services designed for a wide audience. Our programs combine environmental science concepts with hands-on exploration to build empathy for nature and empower individuals to care for local natural ecosystems.

VINS Nature Camp Mission & Philosophy

VINS Nature Camp helps young people develop the life skills and connections necessary to be a positive force for their community and the environment. By exploring the diversity of nature's living creatures and habitats, VINS Nature Camp nurtures each child's curiosity and helps them to build respectful and caring relationships with themselves, others, and the natural world.

At VINS Nature Camp, we have core values that inform all that we do from how we approach teaching and exploring the natural world, to how we interact with others. Those core values are:

- We recognize that curiosity and a love of learning are crucial to lifelong engagement.
- We believe that every individual has a capacity for scientific thinking and ecological awareness.
- We recognize the power of the individual to make a positive impact on the world.
- We believe in treating human and non-human nature with the utmost respect.

By recognizing these core values, VINS Nature Camp creates an environment that is inclusive, nurturing, and exploratory. Campers develop friendships, learn new skills, and grow more comfortable in a natural setting. Our goal is that when they leave VINS Nature Camp, they will have a better understanding of themselves and their relationships with the human and natural world.

General Camp Information

Camp Locations

VINS Nature Camp runs weeklong camps at locations in both Vermont and New Hampshire.

Your camper will be participating in camp(s) held at the Storrs Pond Recreation Area in Hanover, NH - The Storrs Pond Recreation Area is operated by the Hanover Improvement Society, a 501(c)(3) nonprofit organization. Storrs Pond features scenic woodlands, a man-made 13-acre pond with two sandy swimming beaches, a heated swimming pool, tennis courts, basketball court, and picnic areas.

- *Fledglings* are children entering grades 1-3
- *Falcons* are children entering grades 4-6
- *Eagles* are children entering grades 6-8

Camper Supervision

Camps will be staffed to comply with or in some cases exceed American Camp Association staff/camper guidelines as follows:

- *Peeps*: 1 instructor to 6 campers
- *Fledglings*: 1 instructor to 6 campers
- *Falcons*: 1 instructor to 7 campers
- *Eagles* day camps: 1 instructor to 7 campers
- *Falcons & Eagles* overnight camps: 1 instructor to 6 campers

Campers will be under the direct supervision of a camp instructor at all times.

Leader-In-Training

VINS Nature Camps' Leader-in-Training Program involves teens in our camp community by offering them the opportunity to volunteer in our fun, recreational setting while giving them experience working with groups of children in the outdoors. This specialized volunteer program is offered to individuals who are ages 14 through 17 and who will be entering or returning to high school in the fall.

Your camper's group may have up to two L-I-Ts assigned to them for the week. L-I-T volunteers are closely supervised by VINS Nature Camp staff and are designated responsibilities as appropriate, which may include leading group games, assisting specific campers, or helping to lead lessons/activities for the week.

Your child's Instructors will review these completed forms before the start of each camp week to become familiar with any allergies or special health-related needs of campers.

If you indicate a special need or health concern for your child on the VINS Nature Camp Health and Emergency Care Form, the Director Nature Camp may contact you directly to discuss your child's particular needs and accommodations VINS can make to best serve your child.

You should plan to pack a lunch as well as one or two snacks each day for your camper. Additionally, please send your camper with a refillable water bottle each day. Hydration is important and water fountains are available for filling water bottles at Storrs Pond.

Staff will supervise campers during lunch and snack times to encourage them to eat a good portion of their lunch and ensure that campers are not sharing their food with others. Campers should be informed not to share food for health and safety purposes.

Instructors will be aware of any food allergies in their group and take steps to ensure that campers avoid contact with their allergen. **PLEASE NOTE: Storrs Pond is NOT a peanut/tree nut-free site.** VINS cannot control the contents of lunches that members of the public or other campers bring to Storrs Pond Recreation Area. Children with severe nut or other food allergies will be provided a separate table to eat at and camp staff will check the lunches of other campers sitting with them to ensure their allergen is not present.

Behavior Policies

VINS Nature Camp is committed to providing each camp participant, whether a camper, Leader-In-Training, or staff member, with a safe, nurturing camp experience that accommodates individual needs and learning styles.

VINS Nature Camp Behavior Code

To maintain the safety and quality of our camp program, we expect that everyone understands and adheres to our VINS Nature Camp Behavior Code. Please review the VINS Nature Camp Behavior Code with your child before their first day of camp.

VINS NATURE CAMP BEHAVIOR CODE

VINS Nature Camp's Behavior Code is based on the Five Finger Contract used by many adventure and challenge-by-choice programs. In our behavior code, we embrace five values, represented by each of the five fingers, which direct how we conduct ourselves at VINS Nature Camp.

- The **Pinky Finger** is the smallest and easiest to hurt which is why it represents **Safety** in our behavior code. When we look at our pinky, it reminds us to look out for the emotional and physical safety of others and ourselves, by following safety rules, using kind language, and keeping our hands to ourselves.
- People traditionally wear wedding bands on their **Ring Finger** to represent their **Commitment** to their partner. VINS Nature Camp expects participants commit themselves to the camp experience by participating in the activities of the day, being willing to try new things, and being open to facing challenges. This allows campers to get the most out of their camp experience.
- At VINS Nature Camp, the **Middle Finger** represents **Respect** for each other, ourselves, and the world around us. Camp participants practice working with others and seeing the capacity for good in everyone. While at camp, participants are also encouraged to think about ways to respect our camp environment.
- The **Pointer Finger** points; people often use it to point at others; at VINS Nature Camp we point this finger at ourselves. This finger reminds everyone about their **Responsibility** as part of a group. Everyone gets to choose how they behave. At VINS Nature Camp, children are taught to make their own choices and to take responsibility for their actions.
- “**Thumbs up**” is a universal gesture of approval. At VINS Nature Camp, the thumb reminds us to keep a positive attitude, encourage others, and **HAVE FUN**. VINS Nature Camp curricula are designed so that campers will have fun while exploring nature and through those experiences build a better understanding of and appreciation for the natural world.

Behavior Management

VINS Nature Camp staff are trained in behavior management techniques and work with campers to resolve issues with their conduct. However, certain behaviors are deemed unacceptable at VINS Nature Camp; including, but not limited to, intentionally harming others, bullying, using abusive language, or disobeying camp rules established at the start of the camp week.

In the event of unacceptable behavior, staff may issue the camper a ‘Strike’. VINS Nature Camp operates on a three-strike policy when dealing with discipline issues:

1st Strike – Parent or guardian will be notified of the behavior and ensuing ‘Strike’ at the end of the camp day. VINS Nature Camp staff will work with parents/guardians and the child to prevent the behavior in the future and make a plan for the rest of the week.

2nd Strike – Parent or guardian will be notified during camp hours of the behavior and ensuing ‘Strike’ and asked to pick up the camper immediately. Camper will be removed from camp for the remainder of the day. VINS Nature Camp staff will continue to work with parents/guardians and the child to prevent the behavior in the future and make a plan for the child’s return to camp the following day.

3rd Strike – Parent or guardian will be notified to pick up the camper immediately. The child will be removed from camp for the remainder of the week. No refund will be given in the event of an expulsion.

If you have any questions about our VINS Nature Camp Behavior Code or our policies regarding discipline or expulsion, please contact Director Nature Camp, at 802-359-5000 x245.

Cancellation Policy

May 1, 2024, is the deadline to cancel your camp registration and receive a full refund (less a \$35 cancellation fee).

If you must cancel your child’s camp registration after the deadline, refunds will be issued according to the following schedule:

- Cancellations made **at least one month** before the first day of your camp session will receive a 50% refund.
- Cancellations made **less than one month** before the first day of your camp session are not eligible for a refund.
- VINS will not provide refunds if a child misses one or more days of camp due to dismissal, illness, unexpected family obligations, or any other unforeseen factor.

VINS reserves the right to cancel camp programs due to low enrollment. If a camp is canceled due to low enrollment, VINS will work to place campers in other camps or refund the entire camp fee.
