

2025 VINS Nature Camp Leaders-in-Training Information & Application

About VINS Nature Camp

The mission of VINS Nature Camp is to help young people develop the life skills necessary to be a positive force for their community and the environment. By exploring the diversity of nature's living creatures and habitats, VINS Nature Camp nurtures each child's curiosity and helps them to build respectful, caring relationships with themselves, others, and the natural world.

VINS Nature Camp operates weekly camp sessions throughout the summer. Day camps are offered at the VINS Nature Center in Quechee, VT and at Storrs Pond Recreation Area in Hanover, NH. Additionally, VINS Nature Camp runs overnight camps at VINS' Old Pepper Place Nature Reserve in Washington, VT. LIT volunteer opportunities are available at our VINS Nature Center and Old Pepper Place Nature Reserve camp locations.

VINS Nature Camp serves children ranging from 4-13. Campers are divided into four different age groups: *Peeps* (ages 4-5), *Fledglings* (grades 1-3), *Falcons* (grades 4-6), and *Eagles* (grades 6-8). Visit website at www.vinsweb.org/nature-camps for a full listing of camp descriptions by week and the camp schedule.

Leaders-in-Training (LIT) Program

VINS Nature Camp's Leaders-in-Training program involves teens in our camp community by offering the opportunity to work closely with children, peers, and adults in a fun, recreational setting while providing experiences for participants to develop their leadership skills. Whether or not participants attended VINS Nature Camp as campers, our LIT program offers a fun summer option for teens who love the camp experience or who want to gain experience leading groups in the outdoors.

LITs work closely with VINS Nature Camp staff who mentor them during their week(s) of volunteering at camp. LIT responsibilities are assigned by the VINS Nature Camp Instructors they are working with and may include leading group games, assisting specific campers, or helping to prepare lessons/activities for the week. VINS Nature Camp believes that the LIT program is a valuable learning experience for all and hope that many of our LITs will eventually return as VINS Nature Camp Instructors.

Upon successful completion, all LITs will receive official acknowledgement of their volunteer hours at the end of the summer as well as a year-long membership to the Vermont Institute of Natural Science for those that have completed a minimum of 40 volunteer hours.
